PROFESSIONAL EXPERIENCE

SEO Content Specialist & Strategist

Getdigital.ae — Dubai, UAE | Remote

09/2020 – 2026

- Work as a core **SEO Content Specialist and Strategist** for a Dubai-based digital agency, developing and executing content strategies for international clients.
- Create **SEO-optimized website copy, blogs, landing pages, and digital content** aligned with search intent, brand positioning, and business objectives.
- Develop content strategies designed to improve **organic visibility, search performance, audience engagement, and website conversions**.
- Collaborate with marketing and SEO teams to strengthen brand messaging and ensure content supports broader digital marketing objectives.
- Conduct content planning and structure content around relevant keywords, user intent, target audiences, and conversion opportunities.
- Develop content frameworks that improve **engagement, traffic potential, readability, and overall user experience** across multiple industries.
- Adapt writing style and messaging to different brands, industries, markets, and target audiences.

Website Copywriter & Content Strategist

Careerslinked.com

03/2019 – Present

- Develop **B2B website copy, SEO content, and content strategies** focused on improving visibility, engagement, and lead generation.
- Created and optimized website messaging contributing to a **30% increase in website traffic**.
- Improved lead generation by **20%** through optimized messaging and funnel-based content planning.
- Develop SEO-focused blog content and landing pages contributing to a **25% improvement in search rankings**.
- Structure website content around user intent, customer pain points, brand positioning, and conversion goals.

- Create clear, persuasive, and audience-focused copy that supports the customer journey from awareness to conversion.

Strategist & Copywriter

Askquejay.com

05/2020 – 08/2023

- Developed marketing and content strategies for B2B brands, strengthening digital visibility and audience engagement.
- Implemented strategic content approaches that improved **brand visibility by 25% and engagement by 15%**.
- Developed persuasive landing page copy contributing to a **20% increase in conversion rates**.
- Supported business growth through strategic content structuring, persuasive messaging, and conversion-focused copywriting.
- Created content aligned with brand objectives, audience needs, and digital marketing goals.

Blog Writer & Copywriter

Global Clicks — Onsite

02/2023 – 09/2024

- Worked onsite as a **Blog Writer and Copywriter**, creating written content for digital marketing and online business requirements.
- Researched and produced engaging, informative, and SEO-friendly blog content across different topics and industries.
- Developed website and marketing copy with a focus on **clarity, audience engagement, search visibility, and brand consistency**.
- Applied SEO principles including keyword integration, content structure, search intent, headings, readability, and on-page optimization.
- Worked within content briefs and editorial requirements while maintaining quality, accuracy, and consistency.
- Collaborated with team members to develop content aligned with client objectives and digital marketing strategies.
- Adapted writing style and tone according to different brands, target audiences, and content requirements.
